FAW COACH EDUCATION

GRASSROOTS FOOTBALL

Volunteers and Coaches are the backbone of our game.

Every child should have the opportunity to play our beautiful game and it is our role as coaches to help create a **positive environment** to support the next generation of players.

And more importantly ensure they fall in love with our game.

NEWFA GRASSROOTS COACHING UPDATE

"I love coaching and helping young players to develop like many coaches, but we all feel certain pressures;

For me, it is ensuring I not only pick the correct team and ensure everyone gets the opportunity to play, but that I help the players to enjoy the match day experience.

It's difficult with so many to please, but I try to be as consistent as I can be, to ensure others know what they can expect from me."

WE ASKED GRASSROOTS PLAYERS WHAT THEY DIDN'T LIKE ABOUT FOOTBALL

HERE'S WHAT THEY HAD TO SAY...

TAKE HOME MESSAGE...

As a club, can you look to create a **consistent vision that lives and breathes** within everything you do?

Can your **actions** and **behaviours** on and off the pitch, create a clear identity for not only the players and coaches involved in your sessions but **something visible** for all parents/guardians and volunteers' that access your club?

FINAL THOUGHT...

“We at the FAW would like to thank you for your dedication and continued commitment to growing and developing the game we all love. Without such dedicated and enthusiastic grassroots coaches such as yourselves, football within your association would not be in such a strong position.

Our belief is the better coach we have, the better players we produce.

Thank you and good luck.”
